

Unimix Raisin Loaf

| | | |
|---------|------|---------------------------|
| 1 pouch | 375g | Unimix |
| 1/4 | cup | granulated sugar |
| 1 3/4 | cups | warm water |
| 1 1/2 | tsps | fast acting dry yeast |
| 3/4 | cup | raisins (more if desired) |

Directions

Dissolve sugar in water.

Add yeast and stir well. Let stand **10 minutes**, stir again to remove foam.

Coat raisins with 1/4 cup dry Unimix.

Add remaining Unimix to yeast mixture and stir until just moistened.

Beat until smooth as described in **Unimix loaf recipe**.

Fold in coated raisins and stir until evenly distributed. Prepare bread pan (9"x5"x3"), add batter and complete rising and baking as for plain loaf.
